Hello fellow neighbors and friends

WOW it's a new year and we're almost finished the first month, Happy Belated New Years.

If you are unaware, we are now at full occupancy in our complex, this is a good thing, but fully occupied means more personal garbage. It has been brought to my attention people are putting their cardboard boxes in the bin not broken down, this, at times, makes it difficult to put some household garbage in the bin. I, on behalf of the board, am asking if you could please breakdown all cardboard boxes prior to depositing them in the bin. This is not a biggie, but it is something each of us can do for our fellow neighbors.

If you have any questions or concerns with this matter, please reply to the e-mail address listed below.

Regards

Barb
