

FAIM Recycling (excerpt from their website at faims.org)

Did you know the Foothills Advocacy In Motion (FAIM) Society has its own recycling program, open to all residents in High River? For just a small monthly fee, we will prevent your recycling bin from overflowing and will take everything in for you!

How it works:

We'll provide you with a blue recycling bin, and the people we support, along with their job coaches will come pick it up from your house either once a week, twice a month, or once a month, depending on your needs.

What can go in the bin:

We'll take everything that can be recycled by the High River Recycle and Yard Waste Centre. Go to <https://highriver.ca/community/town-services/recycling-waste-snow/recycling> for a list of what's accepted.

How to sign up:

If you would like to sign up for this excellent program, email Alisa Mattis at alisa@faims.org or call her at 403-652-4161 ext. 230. We accept cash, cheque, EMT payments or you can pay by credit at our High River office.

By signing up for this program, you're helping employ adults with developmental disabilities, providing valuable on-the-job training and giving them a chance to become more involved in the community.
