HIGH RIVER, AB T1V 1R7

Dear Fellow Owners,

As was mentioned at our AGM Tuesday, some of you have expressed an interest in recycling since everything that we put in our garbage bin ends up in the landfill. There is a great organization in High River called Foothills Advocacy in Motion (FAIM), some of you may know them as AIMS, which offers an easy way to recycle. FAIM is a not for profit society supporting adults with development disabilities.

You can use your own bin/19 gallons (*Home Hardware has a 19 gal bucket for \$4.29*) or obtain one from them for a refundable \$10 deposit. You choose if you want weekly, biweekly or once per month pick up. All you have to do is leave your bin in front of your garage before 9:00 am on the morning of pickup. If you notify them in advance of any absences, they will credit your account. It turns out that the fees are even lower than what was mentioned at the meeting. They start at **\$15 monthly** for pickup **once per week** (GST extra). See the attached sheet for information on pricing and how to get started. The new customer signup form is also attached. These will also be posted on our website.

Fill out the attached new customer form and e-mail it back to: alisa@faims.org

To make it easier on FAIM, if we return our "New Customer" form by June 30th, it will allow them to have the number of units participating therefore allowing them opportunity to schedule our pick up day more efficiently. Once the day is established that will be our pick up day unless notified otherwise.

FAIM is currently waiting on protective gear but is expecting to restart their program mid July.

This is FAIMS website if interested <https://faims.org/>

Any questions feel free to contact Wayne Bulloch at:
waynes.world4648@gmail.com

Have a wonderful day!
